COUNTY SUPERVISORS BIKE, BUS TO WORK FRIDAY MORNING

Residents are invited to join Supervisors Dimitrijevic, Jursik during Bike to Work Week

Milwaukee, WI – Two Milwaukee County Supervisors are celebrating Bike to Work Week this Friday, June 11. Supervisor Marina Dimitrijevic, who represents part of Milwaukee's Bay View and near south side neighborhoods, and Supervisor Patricia Jursik, who represents Cudahy, St. Francis, South Milwaukee and parts of Oak Creek, will ride their bikes to work and use the bike racks on Milwaukee County Transit System Route 15 for part of the route.

"Summer is here, and I invite more folks to take advantage of the unique opportunity to bike and bus to work," Supervisor Dimitrijevic said. "It really is a convenient way to get around Milwaukee County and get some exercise, too!"

Both Supervisors will make a stop at the Alterra Foundry Coffee shop, located at 170 S. 1st Street in Milwaukee's Fifth Ward neighborhood, at approximately 9:00 a.m. to meet with others who may be interested in biking and to thank Alterra for its sponsorship of Bike to Work Week.

"MCTS Route 15 makes it easy for south shore residents to get downtown," Supervisor Jursik added. "Bikes and buses are a great combination. With our warm weather, I am noticing quite a few people taking advantage of them."
